I hereby give assurance that:

- (a) the pool has been constructed so as to substantially comply, in all material respects, with the plans and specifications submitted under Section 5 (2) and with the terms and conditions, if any, of the construction permit under Section 5(1)(b) of the British Columbia Pool Regulation (B.C. Reg 296/2010), excluding any term or condition pertaining to the operation of the pool; and
- (b) I am an engineer/architect as defined in Section 4 of the British Columbia Pool Regulation.

**Note:** This letter is endorsed by the Association of Professional Engineers and Geoscientists of British Columbia, Architectural Institute of British Columbia, and British Columbia Health Authorities.
